BAR AND BEVERAGE SERVICE

Ohio State Liquor Laws do not allow beer, wine, or liquor to be brought into First Chop Restaurant or banquet room. All alcoholic beverages must be purchased from First Chop.

Several options are available for your party.

- A **Cash bar** in the lounge is available during normal business hours. Your guests pay for their own drinks and for their convenience will be served by your server.
- An **Open bar** can be set up in the banquet room or in the lounge. We will run a tab of all drinks consumed by your guests. All drinks will be served by your server.

A bartender charge applies should you choose an in-room banquet bartender. Restaurant parties outside of normal business hours are also subject to a bartender charge.

The bartender charge is \$15 per hour for a minimum of 4 hours.

- A **Per Person** bar charge is also an option. Each adult guest is charged a set amount. The bartender charge is included in this price. With this option, you know exactly how much your bar tab will be prior to the event.

\$10.95 per person - lower shelf liquor, domestic beer, and wine, 4 hour bar

\$12.95 per person - middle shelf liquor, domestic beer, and wine, 4 hour bar

\$14.95 per person - top shelf liquor, domestic and premium beer, wine, 4 hour bar

All prices are subject to a 20% service charge and applicable sales tax
