What's in a name? At Hap and Niemo's First Chop, the name means everything. The name not only explains who we - the proprietors - are, but it also illustrates our entire philosophy behind our restaurant and our wishes for your dining experience.

"First Chop" aptly defines the culinary experience on which you are about to embark. The words can be used to mean superlative, supreme or top-notch, and these are words that we hope you will use when describing your dining experience with us.

Perhaps you might think that these are lofty goals, but it is precisely what you should expect when you dine with us. We begin our menu offerings with the freshest ingredients possible, which results in the most pleasing dishes arriving at your table. First Chop's meaning is incorporated into all of the detail-oriented service and first-rate food and drink that you will receive during your dining experience.

At First Chop, we strive to give you a grand experience in a pleasing atmosphere. We sincerely hope that you enjoy your meal, and we look forward to your many returns.

Now sit back, relax, and allow us to give you a First Chop experience.
